

# Farm Maintenance Equipment

“

NC Equipment prides itself on being a trusted provider of world class equipment to New Zealand farmers and contractors.

NC Equipment has been sourcing, supplying and servicing Farm Equipment since 1965. All our machinery has been sourced from reputable firms that share our passion for quality, creativity, experience and reliability.

We make it our job to understand our customers and to search for and challenge our suppliers to ensure we are constantly offering the latest industry leading products that meet the evolving needs of agriculture.

## Farm Maintenance

Maintenance is crucial to running any successful operation and no matter if you are cutting firewood, carting heavy loads, repairing farm tracks or do fencing for a living, we have your needs covered.

Not to be confused with some maintenance equipment which are only designed to be used once in a while, you can be rest assured our machines are 'fit for the purpose' tackling the toughest of jobs. Take our grader blades for example, built with over three generations of experience, the largest is rated at 200Hp, weighs nearly 1 ton, and comes with a lifetime warranty!

ROBUST MACHINERY THAT WORKS

## Grader Blades

### Farmgard Contractor

Our heavy duty hydraulic grader blade for tractors up to 125 HP. Ideal for general purpose grading, and all track work. Our most popular selling blade for farmers.

#### Features:

- 85% of weight on cutting edge.
- Reversible cutting edge for double the life.
- Three way adjustment (manual or hydraulic option).
- Optional levelling wheel.
- Lifetime Warranty.

#### Specifications:

MODEL NUMBER	BLADE WIDTH (M/FT)	WEIGHT (KG)	MAX RATING (HP)
560	2.4/8	560	125
600	2.7/9	600	130

**FARMGARD**  
ROBUST MACHINERY THAT WORKS

## Farmgard Bulldozer

Our super heavy duty full hydraulic blade for large grading applications. Suitable for tractors 150 -200 HP.

### Features:

- 85% of weight on cutting edge.
- Reversible cutting edge for double the life.
- Three way hydraulic adjustment as standard.
- Optional levelling wheel.
- Lifetime Warranty.

### Specifications:

MODEL NUMBER	BLADE WIDTH (M/FT)	WEIGHT (KG)	MAX RATING (HP)
820	2.7/9	820	150
900	3/10	900	200

## Trailers

ATV Trailers	9
Tip Trailers	10

## Hecton ATV Trailer

The ATV trailer is a farm essential. This single axle trailer can be used for shifting stock, firewood, rubbish and many other materials.

### Features:

- Mesh floor to allow waste to drop through.
- Back door drops down to make a stock ramp.
- Galvanised chassis with alloy tread plate body to avoid rust.

### Specifications:

MODEL NUMBER	DIMENSIONS (M)	TARE WEIGHT (KG)	WEIGHT CAPACITY (KG)
Hecton ATV	1.5x1.2	160	400

# Trailers

## Tip Trailers

Hustler offer a range of tip trailers from 6-12 tonne. Designed and manufactured in New Zealand, they are a must-have for every farmer wanting to shift bulk material, balage and much more. Built heavier and stronger than any other competing brand.

### Features:

- 6mm steel floor. The strongest floor on a tip trailer.
- Twin double acting rams on all models for a more balanced lift.
- Removable sides and headboards to form a flat-deck trailer.
- Sides supported by steel uprights so they can flex rather than warp the sides.

### Specifications:

MODEL NUMBER	DECK SIZE (M)	TYRE SIZE	TARE WEIGHT (KG)	CHASSIS SPEC (MM)
6 Ton	3.65x2.38	11.5/80x15.3	1630	150x76x6
8 Ton	4.2x2.5	11.5/80x15.3	2230	152x76x6
10 Ton	4.2x2.5	400x60	2310	152x76x6
12 Ton	4.8x2.5	500/50x17	3870	200x100x9

# Post Drivers

Fence Pro Farmtek	12
Fence Pro Mule V	13
Fence Pro Ultra G2	14
Fence Pro Ultra G3	15

## Post Drivers

### Fence Pro Farmtek

The Farmtek is a great entry level post driver which can be adapted for many different applications. Designed and built in New Zealand.

#### Features:

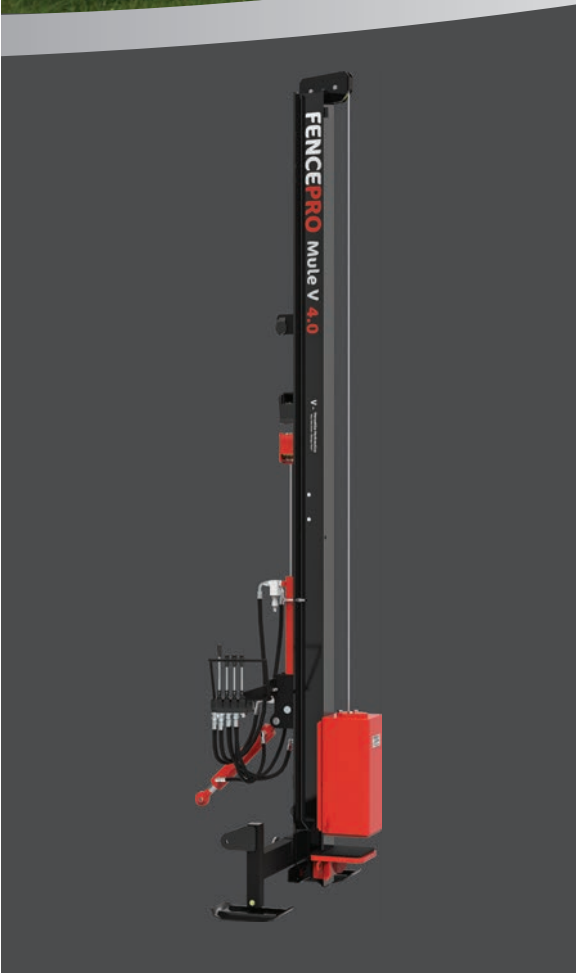

- Standard with full hydraulic controls (top-link and side-tilt).
- The most affordable driver in the Fence Pro range.
- Able to have many options added to this driver with the exception of a rock-spike kit.

#### Specifications:

MODEL NUMBER	MAST SECTION	BLOCK WEIGHT (KG/lb)	MAST HEIGHT (M)	TARE WEIGHT (KG)
Farmtek	180UB	190/420	4	440

## Fence Pro Mule V

The Mule V is Fence Pro’s latest addition to their range, with revolutionary features. Designed for the buyer wanting a heavier post driver with more options, this is the most popular farmers choice. Can be fitted with the standard return and block as a more economical option.

### Features:

- Standard with full hydraulic controls (top-link and side-tilt).
- Strengthened beam so it can be fitted with a rock-spike kit.
- Able to be fitted with all Fence Pro options available.
- Upgraded hydraulic return system does not now require a high flow return.
- Now with an anti-whip post-cap, which prevents the rope from whipping. Gives a longer life on the rope and safer to use.

### Specifications:

MODEL NUMBER	MAST SECTION	BLOCK WEIGHT (KG/lb)	MAST HEIGHT (M)	TARE WEIGHT (KG)
Mule V	150UC	260/575	4	580

## Post Drivers

### Fence Pro Ultra G2

This is New Zealand's most popular contractor's post driver. With a heavier pivot pin, and mast shift as standard it's designed to handle the toughest jobs you can throw at it.

#### Features:

- Standard with full hydraulic controls including 350mm mast-shift.
- Post-cap fitted with nylon slides for a smoother operation.
- Standard with 4.5m hydraulic hinge mast. Safer and easier when travelling.

#### Specifications:

MODEL NUMBER	MAST SECTION	BLOCK WEIGHT (KG/lb)	MAST HEIGHT (M)	TARE WEIGHT (KG)
Ultra G2	150UC	270/595	4.5	850

## Fence Pro Ultra G3

The G3 is currently the flag ship of the Fence Pro range. The strongest and heaviest in their range, it's designed as a serious contractor's machine.

### Features:

- Standard with full hydraulic controls including 350mm mast-shift.
- Larger diameter 11mm wire rope and top pulley for longer lasting moving parts.
- Comes with large 2" lift ram, using low whip technology.
- Standard with 4.8m hydraulic hinge mast. Safer and easier when travelling.
- Can be upgraded to a massive 350Kg or 380Kg block.

### Specifications:

MODEL NUMBER	MAST SECTION	BLOCK WEIGHT (KG/lb)	MAST HEIGHT (M)	TARE WEIGHT (KG)
Ultra G3	150UC	300/660	4.8	950

# Yard Sweepers

Bema Agrar	18
Bema 3 Robust	19

## Yard Sweepers

### Bema Agrar Yard Sweeper

Designed as an entry level sweeper, the Agrar is Bema's best priced sweeper available. Designed to be fitted to the rear 3ptl, this is your go to attachment for any areas of sweeping such as dairy sheds or feed lots.

#### Features:

- Simple design means it can be fitted to most mid-size tractors.
- Includes a waste collection container which can be emptied by simply pulling a cable.
- Hydraulic drive with only two hoses needed to be plugged into the tractor.

#### Specifications:

MODEL NUMBER	SWEEP WIDTH (METERS)	BRUSH DIAMETER (MM)	HYDRAULIC FLOW REQ. (L/MIN)	WEIGHT (KG)
Agrar	2.3	520	30 +	295

**bema**

## Bema 3 Robust Yard Sweeper

The Robust is the sweeper for the large scale user or contractor. Designed to be mounted on the front of larger tractors or loaders, it means the operator can watch the machine with ease and get the brush into tighter spaces.

### Features:

- Very durable with a large 660mm brush.
- Fully contained maintenance free hydraulic motor.
- Has a pressure relief valve and overrun protection for greater protection of the machine.

### Specifications:

MODEL NUMBER	SWEEP WIDTH (METERS)	BRUSH DIAMETER (MM)	HYDRAULIC FLOW REQ. (L/MIN)	WEIGHT (KG)
Robust 2050	2.05	660	40+	380
Robust 2300	2.3	660	40+	400
Robust 2600	2.6	660	60+	436
Robust 2850	2.85	660	80+	456

## Our Range and Service

Our Values	17
Our Commitment	18
Equipment Catalogues	19

“

Our values are the qualities, customs, standards, principles and culture that the company believes will help it and its employees succeed. They are the basis for what we do and how we do it. Taken together, they identify NC Equipment's overarching value of TRUST.

### ✓ **Assured Quality**

We are committed to the pursuit of Excellence and realize that leading edge innovation defines our future. We will provide what is superior and distinctive, something that fills real needs, and provides lasting value. Continuous improvement is a way of life and individuals are encouraged to challenge the 'status quo' sharing ideas, suggestions and best practices to improve the effectiveness and quality of our products, services and team.

### ✓ **Trusted Experience**

We are genuinely interested in our customer's needs, problems or complaints, and set aggressive goals in relation to responding, analysing and solving them. We will be truthful, honest, sincere and frank with our customers, colleagues, vendors and competitors and will not compromise our ethics or integrity in the name of profit. We will each be held accountable for what we say and do, competing for the shareholders based on the results we produce.

### ✓ **World Class Service**

We recognize that this is a competitive market and in order to 'WOW' our customers we are committed to continuously developing our knowledge, systems and service preforming above the standard for our industry. We are loyal and devoted to caring for each other, the environment and the property of our clients and company whilst upholding respect for authority, family values and heritage.

## Our Commitment

“

Machinery is the livelihood for a lot of our customers and when things go wrong it's our support that counts.

### Parts

We stock a huge range of spare parts and consumables for our large range of machinery and can also source parts for many other brands. Our knowledgeable and friendly parts team look forward to assisting you with any parts requirements in-store or by phone, and more often than not will have you up and running the same day!

### Service

As a company we are committed to fulfilling the needs of our customers providing 'World Class' customer service and support from day one. Whatever the request, time of day or location, you can rely on our team of experienced and qualified service technicians to ensure your equipment is kept in action 24/7!
