

Spraying Equipment

“

NC Equipment prides itself on being a trusted provider of world class equipment to New Zealand farmers and contractors.

NC Equipment has been sourcing, supplying and servicing Farm Equipment since 1965. All our machinery has been sourced from reputable firms that share our passion for quality, creativity, experience and reliability.

We make it our job to understand our customers and to search for and challenge our suppliers to ensure we are constantly offering the latest industry leading products that meet the evolving needs of agriculture.

Spraying Equipment

Similar to spreading, this process is becoming even more specialized and recent environmental studies have resulted in proof of placement fast becoming mandatory. As the spray itself becomes more complicated and expensive, GPS guidance systems with pre-loaded application rates and automatic rate adjustment are also fast becoming standard.

So, whether you're a Farmer, Viticulturist, Lifestyler, or spraying contractor demanding the most up to date technology, NC Equipment remains at the forefront for efficiency and technology.

C-Dax Eliminator	7
------------------	---

C-Dax Spray-On 200

The C-Dax spot sprayers are almost an NZ icon. A farm essential for keeping control of gorse, broom and weeds around the property. The 200L is available in a flat deck or a trailed option.

Features:

- Has a 3 Litre freshwater hand wash tank on the unit.
- Has hose storage and lance holder.
- Comes complete with lance and hose.
- Trailed option is fitted with leaf springs to better handle the weight.
- Pump has a large enough capacity to be able to handle a range of small booms.

Specifications:

MODEL NUMBER	EMPTY WEIGHT (KG)	CAPACITY (L)	PUMP SIZE (LPM/PSI)
Spray-on 200	29	200	10.9/60

ATV Sprayers

C-Dax Spray-On 500

Designed for the larger scale operator, this unit is available as a flat-deck, trailed or engine driven unit when wanting higher pressure that a 12V pump can't give.

Features:

- Unit has a covered pump for maximum protection.
- Comes standard with heavy duty spray lance and 10M of high pressure hose.
- Trailed model comes with leaf springs and mudguards.
- Able to be fitted with a wide range of optional booms.

Specifications:

MODEL NUMBER	EMPTY WEIGHT (KG)	CAPACITY (L)
Spray-on 500	40	500

C-Dax Eliminator

The C-dax Eliminator trailed weed wiper dramatically reduces damage to your pasture by putting chemical on the weeds rather than the whole pasture.

Features:

- Electronic controller allows operator to adjust the chemical flow, while still sitting on the bike.
- Non-drip woollen carpets for maximum contact and longevity.
- Four different height settings, to adjust the machine depending on weed heights.
- Compatible with all C-Dax 12V Sprayers.
- Optional on-board tank with 12V pump.

Specifications:

MODEL NUMBER	EMPTY WEIGHT (KG)	WIPING WIDTH (M)
Eliminator	70	2.3
Winged Eliminator	125	4.3
Eliminator +	180	6

Mounted Sprayers

Hustler Katipo Range	10
----------------------	----

Hustler Fox	11
-------------	----

Mounted Sprayers

Hustler Katipo Range

The Katipo range of sprayers follow the design and build quality that Hustler is renowned for. Available in 3x different tank sizes with an extensive range of booms and many options that can be added.

Features:

- Low Profile design to enable access to the tank opening without having to climb up on the unit.
- A built in skid plate on the under-body protects vital parts from obstacles when spraying.
- Can be fitted with foam markers or complete GPS guidance systems.
- Many 'time saver' options can be added, including a flush tank kit, remote filling hose and a handy storage box.

Specifications:

MODEL NUMBER	TANK SIZE (L)	STD PUMP SPECIFICATIONS	AVAILABLE BOOM WIDTHS (M)
Katipo 680	680	Comet 110 L/min	6-12
Katipo 890	890	Comet 110 L/min	6-12
Katipo 1150	1150	Comet 110 L/min	6-12

Our Range and Service

Our Values	21
Our Commitment	22
Equipment Catalogues	23

“

Our values are the qualities, customs, standards, principles and culture that the company believes will help it and its employees succeed. They are the basis for what we do and how we do it. Taken together, they identify NC Equipment's overarching value of TRUST.

✓ Assured Quality

We are committed to the pursuit of Excellence and realize that leading edge innovation defines our future. We will provide what is superior and distinctive, something that fills real needs, and provides lasting value. Continuous improvement is a way of life and individuals are encouraged to challenge the 'status quo' sharing ideas, suggestions and best practices to improve the effectiveness and quality of our products, services and team.

✓ Trusted Experience

We are genuinely interested in our customer's needs, problems or complaints, and set aggressive goals in relation to responding, analysing and solving them. We will be truthful, honest, sincere and frank with our customers, colleagues, vendors and competitors and will not compromise our ethics or integrity in the name of profit. We will each be held accountable for what we say and do, competing for the shareholders based on the results we produce.

✓ World Class Service

We recognize that this is a competitive market and in order to 'WOW' our customers we are committed to continuously developing our knowledge, systems and service preforming above the standard for our industry. We are loyal and devoted to caring for each other, the environment and the property of our clients and company whilst upholding respect for authority, family values and heritage.

Our Commitment

“

Machinery is the livelihood for a lot of our customers and when things go wrong it's our support that counts.

Parts

We stock a huge range of spare parts and consumables for our large range of machinery and can also source parts for many other brands. Our knowledgeable and friendly parts team look forward to assisting you with any parts requirements in-store or by phone, and more often than not will have you up and running the same day!

Service

As a company we are committed to fulfilling the needs of our customers providing 'World Class' customer service and support from day one. Whatever the request, time of day or location, you can rely on our team of experienced and qualified service technicians to ensure your equipment is kept in action 24/7!
